NOTE TO OFFERORS: The total number of FRV-40 vessels to be acquired, the fiscal year funding profiles, and the resulting duration of the contract are unknown on the date of this solicitation. In order to accommodate the likely program scenarios, options for the second, third and fourth vessels and their respective outfitting and support CLINs covering FY 01 through FY 05 are necessary. Option Items 0008, 0015 and 0022 are to be considered identical to Item 0001 for pricing purposes. Prices are requested for each option alternative independent from all others. Option alternatives $\Box A \Box$ through $\Box S \Box$ are summarized for clarity in the following matrix, and are presented in the Uniform Contract Format by CLIN thereafter.

NOTE 1 - See SOR Section 100(a). Price is requested with aluminum instead of steel. The decision made for the CLIN 0001 lead ship regarding steel or aluminum superstructure will determine the superstructure material for optional ships under CLINs 0008, 0015, and 0022, if exercised.

NOTE 2 - See SOR Section 333. Price is requested for a de-icing system. The exercise of this option for the CLIN 001 lead ship will not obligate the Government to exercise this option in the event optional ships under CLINs 0008, 0015 and 0022 are exercised.

NOTE A - These FFP items or orders shall not be subject to the clause of this contract entitled "AWARD FEE".

NOTE B - See Section C Clause entitled "ORDERING ITEMS".

NOTE C - This is an estimated amount of labor hours and does not indicate that the Government will necessarily order this amount or any at all. The number of labor hours will be determined in accordance with the clause in Section C of this contract entitled "ADDITIONAL GOVERNMENT REQUIREMENTS". In the unit price columns, enter the applicable hourly labor rate which will apply to any work ordered under this line item.

NOTE D - Option item to which the clause 52.217-7 of this contract entitled "OPTION FOR INCREASED QUANTITY-SEPARATELY PRICED LINE ITEM" is applicable only if and to the extent said option is exercised.

NOTE E - (To be	e completed by the Government at the time of contract award):	The total
amount obligated	d on this contract at the time of contract award is \$, which
represents \$	for the fixed price (as appropriate) of Item 0001 plu	IS
\$	for any Option Items exercised at time of award.	

TYPE OF CONTRACT

This is a Fixed Price with Award Fee (FPAF) contract for supplies, with FPAF and Firm Fixed Price (FFP) ordering option items for supplies and services as described herein.

OPTION EXERCISE PERIODS

The Government reserves the right to exercise the options at the prices set forth in SECTION B of this contract for delivery as set forth in SECTION F of this contract. These options will be exercised (if at all), by written notice to the Contractor from the Contracting Officer which shall be forwarded on or before the last working day of the months shown below:
